## WA3DJJ Talks to Club

## The Articles for This Month

### February Club Meeting

WA5DJJ spoke to the club at the February meeting on minimal transceivers. The topic was well received as it was presented by an expert with many minimal projects to his credit (Photo by KD5SJJ).

### The Club Roster

The latest club roster is available. If you click on the following link, it will appear as a pdf file.

URL <http://mvrcMem201703.pdf>

It is recommended that you print it out and keep it handy at your operating position. It consists of two main parts. The first lists all club members in alphabetical order. The second part lists all club members by their call signs. The roster also contains other information such as class of license and some contact information.

## Super Sunday Race

KD5OHA

On Sunday February 5, 2017 the Las Cruces Running Club held the annual. Super Sunday Road Race. It was a 1 mile, 5K, 5 mile race down Sonoma Ranch Blvd. Sonoma Ranch Blvd was closed to traffic during the event. The races started at the east end of Centennial High School. The 1 mile race went up the road half a mile then turned and back to start. The 5K race went up to Canyon Point Road turned and back to the start. The 5 mile race went down the road to Lohman Ave. turned and went north up to and around the water treatment plant and back to the start. The 1 mile race started at 08:45, the 5K and 5 mile races started at 09:00. Total participants 200. Many thanks to George KD5OHA, Evans KF5DNI, Perry KC7VHS, Howard KJ5NJ, Earl N5TMT, and Henry AD5FE for communications help in keeping track of the runners. The next race is a new one Saturday April 29. I will be contacting people for help.

## Bataan Death March

KD5OHA

The next race will be the Bataan Memorial Death March on Sunday, March 19, 2017. This year marks the 75th anniversary of the real death march. There are only a few survivors left. Some will be here to observe this event. There are several ways to honor the survivors. One is to help with radio communications at one of the 12 water points. At this time I have all those positions filled. The other way is to help at the K5B Special Events Station at the MVRC club house. For more information on this contact Earl 575-541-1572/575-639-0556 or earl d7@yahoo.com

### **Business Discussion**

- Alex Burr requested club-written articles for the Local Oscillator. And, he asked us to please report any mistakes or omissions in the Local Oscillator's content.
- George Kopp reported that the club's coverage on the Super Sunday Road Race had gone well. George still needs volunteers for the Bataan Road Race on Sunday 19 March. George mentioned to Alex that he'd be sending a couple of road-race articles for the Local Oscillator. George also informed the group of the upcoming Get-Up & Go Road Race on 9 April.
- Howard Brewington, club secretary, reported that we currently have 96 people on the club roster, but 30 of them had not paid for 2017. He also recommended that we buy a few more chairs for the clubhouse since we had people standing at the last meeting. Howard also suggested that we put the club's old big-screen TV on Craig's list to make more space in our meeting room. Howard recommended that we wall mount the club's new flat-screen TV, and remove the old slide projector screen from the south wall.
- Furman Smith was out sick for this meeting. We wish him a quick recovery. Earl Drexler reported that our upcoming Bean Feed event would be recognized by the ARRL and published in QST magazine. Earl had been in contact with White Sands about our special event station for the Bataan Road Race. We may be able to operate voice modes this year.

Sven Breden said that he'd look into having a few vendors at this years Bean Feed event. Sven volunteered to place a "For-Sale" advertisement on Craig's List for the club's old big-screen TV. And, he'd go to Sam's to price the needed chairs for our meeting room.

Cash Olsen, *KD5SSJ*, said that he has ~24 oscillator kit assembled for next month's club meeting. Cash also mentioned that he'd discard the other big-screen TV in the clubhouse.

Bob Bennett said that we need more equipment donations for the Bean Feed. He will be contacting the estates of recent SKs for permission to include those items. Bob said that he's willing to pickup donated equipment if necessary.

**Board Meeting adjourned:** 7:50 pm

**Meeting minutes recorded by Club Secretary:** Howard J. Brewington

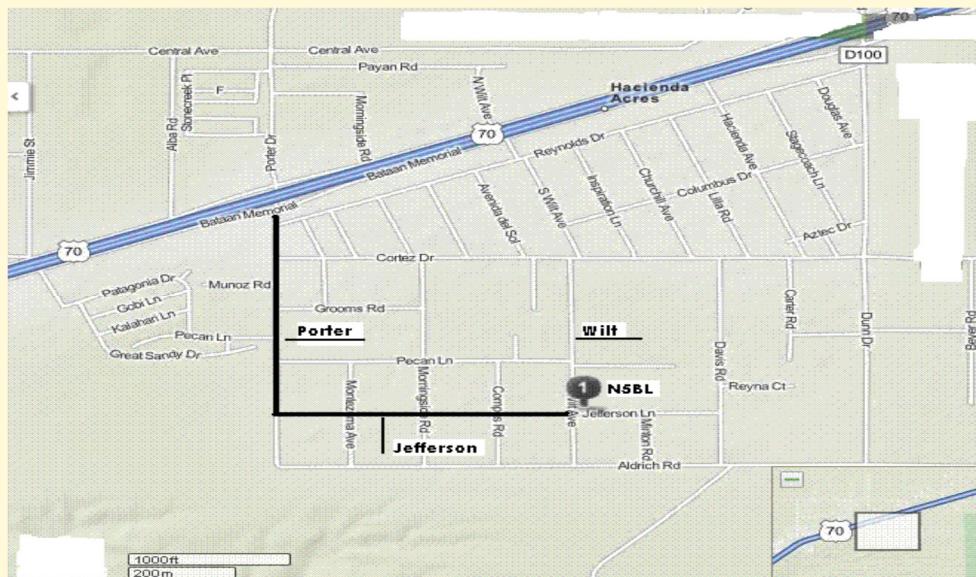

Board meetings are open to the entire membership; please feel free to join us.
